the power of the anointing the burden remover and yoke destroyer by evangelist virginia sutton finally after eight years of praying fasting and warfare against the powers of darkness it is finished my first book about the anointing i began to write on october 8 2002 and finished june 16 2010 to write about the anointing was not easy because satan knows this is one sure weapon that will put him out of business this is why he constantly tries to set traps for those that are sold out to god and are walking in the anointing that has been placed upon their lives you see the anointing is your divine spiritual authority in the spirit that has been delegated down to us from the lord therefore the anointing is gods holy power presence

and spirit upon man woman for the purpose of not only to live holy but to also tear down the kingdom of satan and build up the kingdom of god the anointing enables enhances and equips in order to whip the powers of darkness sinful yokes are destroyed because of the anointing therefore the devil is not alarmed over talent which only pricks the emotions however he is alarmed over the anointing which pricks the heart of man and causes him to cry out what must i do to be saved acts 2 3738 now when they heard this they were pricked in their heart and said unto peter and to the rest of the apostles men and brethren what shall we do then peter said unto them repent and be baptized every one of you in the name of jesus christ for the remission of sins and ye shall receive the gift of the holy ghost

throughout the scriptures we find this phrase over and over again and the spirit of the lord god came upon him well this book is about the anointing of god i want by the grace of god and the help of the holy spirit to show you what the spirit of the lord god really is and what him coming upon you means so many people confuse the anointing with talent or the anointing with the way a preacher preaches a sermon and it is not really the spirit of god but rather just some kind of mental ascent that they ve given to it listen when god anoints something it is drenched in his presence it is manifestly all about jesus and not about a man or something else this book was written that you might know that the spirit of the lord god is upon you yes you because he has anointed you if god is going to anoint anybody he needs to anoint you and me for all the people whom we touch and have influence in our lives as you read this book you will understand biblically that the anointing comes through great suffering great travail great stripping a great foundation and a great humbling by the time you finish this book i promise you will know what the anointing of god means and then it is up to you to pay the price and so that it can be said of you the spirit of the lord god is upon me because the lord hath anointed me to this end was this book written

i am quite sure that many of the lord s people are none too clear upon the different aspects of the holy spirit s presence and ministry in the life of the believer and that there is a good deal of confusion that terms become mixed and there is not clear discernment of the specific significance of each term used in the word of god i mean the fact that we hear of those in the new testament who were baptised with the spirit and filled with the spirit and sealed by the spirit and anointed and it is important that we should be able to discriminate on these matters it is not my intention to lead you out in such a discrimination that may come itself as we go on what i am concerned and occupied with is the anointing as representing some particular aspect of the holy spirit s presence and work t austin sparks

there is much written and taught concerning the anointing of god that is the result of someone s experience teaching one s experience or even their interpretation has brought confusion and even division in the body of christ god s intention has always been that we be of one mind and one heart

this book is intended to clearly show that which the bible declares about the anointing of god and the intended purpose in which it is given
