described by reviewers as one of the most comprehensive and complete texts to be published in the field in years teaching the language arts provides readers with a truly balanced approach to the teaching of language arts with an emphasis on the arts themselves written with the belief that all children and teachers possess creative potential the author masterfully integrates essential elements of phonics instruction with critical principles of literature based instruction namely literature comprehension writing and oral language cramer s engaging writing style leaves readers feeling as though they are in a conversation with the author and clearly answers the question how can we teach language arts well

this thoroughly revised and updated edition of teaching language arts to english language learners provides readers with the comprehensive understanding of both the challenges that face ells and ways in which educators might address them in the language arts classroom the authors offer proven techniques that teachers can readily use to teach reading writing grammar and vocabulary as well as speaking listening and viewing skills a complete section is also devoted to ways teachers can integrate all five strands of the language arts curriculum into a comprehensive unit of study with meaningful accommodations for ells an annotated list of web and print resources completes the volume making this a valuable reference for language arts teachers to meet the challenges of including all learners in effective instruction new features to this edition include an updated and streamlined part 1 which provides an essential overview of ell theory in a language arts specific context additional practical examples of language arts exercises all of which are closely aligned with the common core state standards new pedagogical elements in part 3 including tips on harnessing new technologies discussion questions and reflection points updates to the web and print resources in part 4

most pre service education students are enthusiastic about the progressive constructivist and student centered theory and practice advocated in many teacher education programs and by the national council of teachers of english yet in actual day to day practice teachers often have trouble thinking of ways in which such student centered and constructivist practices in literacy instruction can be implemented in classrooms which are increasingly driven by high stakes tests increased accountability and mandated and even teacher proof scripted curricula teaching authentic language arts in a test driven era provides a powerful and much needed counterargument to the assumption that test driven curricula preclude meaningful instruction and authentic student engagement within a language arts curriculum providing teachers with the theoretical stances and pedagogical tools to develop a language arts practice which can be personally rewarding as well as beneficial to students teaching authentic language arts in a test driven era empowers teachers to be effective even within the confines of a testing and accountability driven curriculum
