since 1898 the united states and the united nations have deployed military force more than three dozen times in attempts to rebuild failed states currently there are more

state building campaigns in progress than at any time in the past century including afghanistan bosnia kosovo the democratic republic of congo haiti sudan liberia cote d ivoire and lebanon and the number of candidate nations for such campaigns in the future is substantial even with a broad definition of success earlier campaigns failed more than half the time in this book paul d miller brings his decade in the u s military intelligence community and policy worlds to bear on the question of what causes armed international state building campaigns by liberal powers to succeed or fail the united states successfully rebuilt the west german and japanese states after world war ii but failed to build a functioning state in south vietnam after the cold war the united nations oversaw relatively successful campaigns to restore order hold elections and organize post conflict reconstruction in mozambique namibia nicaragua and elsewhere but those successes were overshadowed by catastrophes in angola liberia and somalia the recent effort in iraq and the ongoing one in afghanistan where miller had firsthand military intelligence and policymaking experience are yielding mixed results despite the high levels of resources dedicated and the long duration of the missions there miller outlines different types of state failure analyzes various levels of intervention that liberal states have tried in the state building process and distinguishes among the various failures and successes those efforts have provoked

indian by choice tackles the complex theme of identity it is a journey of self discovery through the myriad human relationships that help us see things in perspective and in context written in the form of a graphic novel it tells the story of mandy a second generation indian born and brought up in chicago he is as american as they come hot dogs french fries baseball and the love of all things american especially blonde he is of course no different from his clones who are in several other parts of the world england and australia the netherlands and canada they blend with their surroundings by assimilating the culture of their adopted home and denying their indian roots and heritage in the case of the hero of our book he has even changed his name from mandeep to mandy he is required under duress to travel to india for a family wedding and despite his fears and his doubts his distaste and his abhorrence of all things indian he finds himself drawn into a world that he was familiar with only through his relationship with his parents and sister these had to do with strong and pervasive family ties and bonding friendships that were open and warm hearted all this appeared to be so normal and natural in india through candid discussions he confronts his fears and ignorance about india when it is time for him to leave he finds that there is much about india he simply did not know and a great deal he would like to know more he increasingly reconciles with his suppressed identity he willingly makes the choice of not denying his indian roots he is an indian by choice
