provocatively explaining the political and social phenomenon of white supremacy as a religion and providing a theology of redemption for disparaged communities affected by it this book is a collection of personal and academic essays that challenge popular notions of american exceptionalism a little bit of everything a mixtape in the tradition of dj clue episodic and rhapsodic lifting a panoply of voices in an unexpected way it wrestles with theology and philosophy alike blending poetry with narrative nonfiction and memoir it is a creation of a new and expressive literary experience that is as tragic and triumphant as the black experience is in america a groaning that cannot be uttered

goodness of god is the foundation of all his works plans and purposes if we are to understand what god is like we must first know that he is good and not evil the devil works tirelessly to keep the truth of the goodness of god lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our god the goodness of god is the pinnacle point of the spiritual battle that rages all around us understanding the goodness of god is first and foremost in spiritual warfare because without this you can never stand for god faithfully
